# Frank Albert Stubblefield

The staff of the 1978 Shield would like to pay tribute to Frank Albert Stubblefield who died October 14, 1977. Stubblefield, a Murray native, served in the U.S. House of Representatives from 1958 through 1974. He was appointed a Murray State University Board of Regents member in 1975 and served in that capacity until his death. He will be missed and remembered for his decency and strength of character, his integrity as a statesman and as a long time and loyal friend of Murray State.

My college years have been an education . . . an education in life and living. I have profound impressions about the world; how it is and how it should be . . . and although you have had the same emotional experiences as I, the same social and educational processing as I, your opinion differs from mine. The important thing is not that we end up thinking alike and feeling the same; but that we all think and we all feel . . . and this is the one thing we have in common; the bond that unites us.

## ***Building Memories***

Togetherness . . .

We are gathered at this University because we share some things in common. We are all social beings and our lives embrace continuous interaction.

There is a chance for togetherness, for vicarious experiences, for warm friendships, and for lasting memories.

# Building Is... Building!

We make buildings for our need, and then, sacrificing our pockets to art, cover them with a mass of purely nonsensical forms which we hope may turn them into fine architecture.

# Miss Murray State Pageant

Karen Gordon was crowned Miss Murray State University 1977 in March at the annual pageant sponsored by the Student Government Association. Miss Gordon, a senior from Benton, presented an original monologue while sketching three martyred Americans as her talent presentation. As Murray State's "Belle of Kentucky," she traveled to

the Miss Kentucky Pageant in June where she was crowned Miss Kentucky 1977, winning both the swimsuit and talent competitions in preliminary rounds. Miss Gordon was sponsored by Alpha Omicron Pi sorority.

Runners-up in the Miss MSU Pageant were Barbara Kemper, first runner-up, Murray; Kathy Crow, second runner-up, Kennett, Mo.; Anna Lou Matthews, third runner-up, Mayfield; and Vicki Herms, fourth runner-up, Louisville.

# Paul Bunyon Day

The team of Kappa Alpha, Alpha Omicron Pi and Alpha Gamma Rho won in the annual Paul Bunyon Day held in April. The event is held in conjunction with Greek Week to raise funds to send four boys to the Kentucky Boys Ranch in Marshall County. The events consist of three-legged races, log throwing, tug-of-war and other "lumber jack" activities.

Each year Panhellenic and Interfraternity Council work together to promote Greek life on MSU's campus. Open houses, displays and dances are held to bring all Greeks together in a time of fun.

## ATO Frog Hop

The frog hop, a new event for the ATO's, is a competition relay between sorority teams. Each team picks a frog provided by the fraternity and prepares him for the race. ATO's took on the responsibility of coaching and refereeing the hop. Plenty of "swamp water" and fried frog legs accompanied the day, as the Tri-Sigma's frog won this first race, which is hoped to become an annual event.

# Graduation

It is almost over  
We stand pondering our  
situation relieved that  
there are no more class struggles  
that are unfamiliar  
We are joyous knowing that  
we made it at last  
yet sad that it is over  
And there is no coming back

Karen J. Orten

The May 14, 1977 graduating class numbered 546. In addition, 153 persons received diplomas on August 5, 1977.

David O'Daniel, Wickliffe, graduated with a 4.0 standing. He was the 12th to graduate with this distinction in Murray State University history.

# Summer Orientation

Nearly 1200 new students visited the Murray State campus during four sessions of summer orientation this year. It was a time for freshmen to ripen a little, to find their way around campus, to meet a few people — to taste a bit of that ever so intriguing "college life."

## Summer 1977

With the coming of summer to the university, the pace of life at MSU slows considerably. Although busy with classes, students find time — and many different ways — to enjoy the long lazy days of the season. New activities, new friendships, fresh knowledge.

# Registration

Students wait patiently as one line leads only to another during Spring registration. Those who pre-registered and paid were home-free while those who failed to send in the needed dollars were sent back to the beginning only to find classes marked "Closed."

## Land Between the Lakes

The Land Between the Lakes area, located between Kentucky Lake and Lake Barkley, is developed and maintained by the Tennessee Valley Authority to provide outdoor education, camping, hiking, hunting, fishing, boating and other outdoor recreation.

An area containing 5,000 acres which has been set aside as an environmental education area gives students and faculty members a chance to study the wonders of nature. Physical education classes use the area to give instruction in canoeing and sailing, the biology department maintains a biological station on the lake for the student of plant and animal life, and many others enjoy the beauty of the area to inspire students in their studies.

The Lake area also provides an escape for students from the academic world where they can enjoy "letting loose" and "feeling free."

## ADPi 500

The ADPi 500 features various relays between the fraternities on campus. Mark Robinson, representing PiKA, captured the title of Mr. 500 with the TKE's taking the spirit award this year. Field events were won by the ATO's.

# Watermelon Bust 1977

Cries of "We're Number One" were heard across campus in early September as sororities and dormitories competed in the fifth annual Watermelon Bust sponsored by Lambda Chi Alpha fraternity.

Girls participated in such events as musical water buckets, watermelon

hike, watermelon crawl and seed spitting. Vicki McCormick, Owensboro, was named Miss Watermelon Bust 1977 from a field of 12 contestants. She was sponsored by Alpha Gamma Delta Sorority.

Sigma Sigma Sigma won first place for events in the sorority division and Clark Hall won in the dormitory division. Spirit trophies were awarded to Alpha Omicron Pi and Springer Hall.

## Tractor Pull

Twice a year Alpha Gamma Rho fraternity sponsors a tractor pull at the West Ky. Exposition Center. The event has gained fame throughout the 4-state area as being the only indoor pull in the state of Kentucky. Two divisions, the farm division and the professional sanctioned division, attract entries from the

Jackson Purchase, across the state of Kentucky and even as far away as Alabama. Proceeds are used in establishing scholarships for agriculture students.

A lack of concerts on campus was a much talked about topic all year long. According to Brian Kunze, Owensboro, concert chairman, many factors affect the programming and booking of groups. One major factor this year was a cut in the concert budget. The 1977 budget contained \$18,000 while three years ago the budget contained \$29,000. The rising costs in booking and presenting acts prohibits the Student Government Association from booking many groups. Also affecting the programming is the lack of a facility which will seat over 5,000 people and problems encountered with cancellations by booking companies.

# Lecture Series

## Fall 1977

The fall Lecture Series opened with a bit of humor as students were entertained by John Roarke, Michael Fremer and "the king of one liners," Henny Youngman. The Series which is sponsored by the Student Government Association also presented Stan Lee, publisher of Marvel Comics; Tom Jackson, the nation's leading authority on the job market; and George Lawrence, president of the American Gas Association.

## Lecture Series Spring 1978

The spring Series opened February 14th with Senator William Proxmire, D-Wisconsin. During his lecture, Proxmire outlined a number of areas in the federal budget where he felt there was excessive spending. Sen. Proxmire, who also conducted a student/faculty seminar during his visit to the campus, said the solution to the waste problem is making the nation aware of it. The Lecture/Insight series began on March 1st with Brooks Robinson headlining the program. The series which centered around "A Look at Professional Athletics" also featured Michael Trope on March 27th and Wilma Rudolph on April 4th. The Lecture Series and Lecture/Insight were coordinated by Brad Lutz, Barrington, Illinois.

# Homecoming '77

## A Tribute to "Doc" Farrell

Homecoming 1977 was not so different from any other Homecoming except that it honored one of the University's most admired professors, "Doc" Farrell.

As usual the weekend was packed with activity after activity leaving everyone exhausted on Monday.

Lynn Hewitt, Murray, daughter of Mr. and Mrs. Buddy Hewitt, was crowned Homecoming Queen in pre-game festivities. For the second year in a row the winner was sponsored by Sigma Chi fraternity.

A jazz tribute was held to honor

"Doc" on Friday evening with guest trombonist, Kai Winding.

Many measured the success of Homecoming by the number of alumni present and the blend of familiar and unfamiliar faces in the crowd.

Winners in the float competition were Sigma Chi and Alpha Omicron Pi in the Greek division and Epsilon Pi Tau in the independent division. The Kentucky Association of Nursing Students and Sigma Phi Epsilon and Alpha Delta Pi took firsts in the house displays.

# Student Government

The Student Government Association is composed of three branches — the Senate, the Student Activities Board and the Judicial Board. The Senate is the legislative body of the organization which represents students to the faculty and administration. The Student Activities Board plans activities to meet the stu-

dents' wants and needs. The Judicial Board represents the students on the University Judicial Board and rules over elections. The SGA sponsors a Blood Drive each year and again this year reached their quota by receiving 350 pints.

## Thank Goodness It's Friday!

On Monday you're recovering from the weekend, Tuesday you begin to see the world again, Wednesday you find yourself with the mid-week blahs, Thursday brings excitement anticipating the next few days ahead and alas it's Friday!

Yes, we all say "Thank Goodness It's Friday" whether we be students, faculty members or administrators.

Of course Friday means different

things to each of us. For some it is the day to pack up and go home to see Mom and Dad or that special someone. For others it's another Big weekend in Murray, Kentucky. Many start their celebration early in the afternoon by traveling South or to the birthplace of ribs and beer, the Keg.

Whatever your means of celebration, let it be known to all T.G.I.F.

## Black Awareness Month

February was designated Black Awareness Month and many activities were coordinated for black students through the Minority Awareness Committee of the Student Government Association. Patricia Petty, Louisville, chairman of the committee, said the purpose was to create an awareness of black heritage by letting students know that blacks have an important and influential part in the history of the United States. Activities included an artifacts display by black Greek organizations on campus, black experience in movies with the showing of "The Learning Tree" and "The Autobiography of Jane Pitman," a performance by the West Side Players and a fashion and talent show which was televised by MSU Channel 11.

For the first time since 1967 classes were called off because of the snow at Murray State University. Kentucky had record snow storms along with several other states across the nation. Four days of classes were called off during the month of January. Fortunately for the students none of these days had to be made up. Problems were caused with delays of personal schedules and registration as everyone just had to wait out the snow. Waiting meant different things to different students. Some found pleasure in shoveling out their cars while others took out for the hills — the snow covered ones that is. Cutchin Recreational Complex provided a place for most sledders.

The campus lights come gleaming one  
by one  
From out the dim recesses of our minds,  
And each one lights a scene of  
yesterday,  
A scene that really was, or might have  
been.  
And in each scene we see ourselves go  
by.  
We catch a glimpse of laughs, of sighs,  
of tears.  
And e'er this fleeting dream is gone, we  
fill  
Our minds with memories that never  
die . . .  
Our vision fades. The campus lights  
grow dim.  
Our hands reach out to grasp and hold  
each scene  
That passes, never to return except  
In fleeting dreams of cherished  
yesterdays.  
Our days of laughs and sighs and tears  
are gone.  
Guarded with jealous care through  
passing years  
We keep a golden shrine of memory  
Safe locked within a treasure-house of  
dreams.

# THE HONOR SOCIETIES

## THE HONOR SOCIETY COUNCIL

Pres.: Dr. James M. Kline      Vice-Pres.: Dr. Bertrand Ball  
Sec.: Patricia G. Upton

The Honor Society Council, which consists of the established Chapters of national honor societies, was founded on February 24, 1975. The Council's primary function is to promote a wider and better understanding of the nature of honor societies, to aid in the encouragement and recognition of academic excellence within the student body, to assist in the establishment of other National Honor Societies and to provide a forum for the consideration of general problems related to collegiate scholarship.

The Honor Society admits only the finest of Murray State's students. Those chosen as members of these societies must meet the specific society's national standards of achievement. These students have earned distinction either in departmental work or in their participation in campus activities.

# WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

BABETTE MORGAN

Babette is a journalism and English major from Advance, Missouri. She has been Editor-in-Chief of the Murray State News for two years. A Presidential Scholar, Babette is president of Sigma Delta Chi, the Society of Professional Journalists and is a member of Lambda Iota Tau, the Literature Honor Society.

Janie, a speech and hearing major from Hopkinsville, is a member of the National Student Speech and Hearing Association (NSSHA), and Alpha Chi Honor Society. She participated in the MSU Summer Orientation Program as Freshman Orientation Counselor for 1977.

She has enjoyed being a speech and hearing major in that she has been given the opportunity to "deal with people of all backgrounds, personalities, and problems."

An active member of Alpha Gamma Delta social sorority and Sigma Chi little sisters, Janie was recipient of the Outstanding Scholarship Award for three years and was chairman of the local Heart Fund Drive for Panhellenic in 1976.

Janie is now employed at Western State Hospital in Hopkinsville as the initiator of a new Speech and Hearing Program.

James, a pre-medicine major from Elgin, Illinois, is president of the Pre-Med Club. He has membership in both the Beta Beta Beta Biological Honor Society and Alpha Chi Honor Society for all fields. As a Dean's list student, James has received both Alumni and Dormitory Scholarships. He also serves the student body as a lab technician in the University's free Student Health Services.

LIBBY MORETON

Libby, who has an area in economics, is involved in legal research for Kentucky. She is the Judicial Board Chairman for the MSU Student Government Association (SGA) and alternate student member of the Appeals Board. Libby is the Hester Hall Dormitory President and was a member of the MSU Thoroughbred Marching and Concert Bands for one year. As a member of Alpha Sigma Alpha social sorority, Libby served as Panhellenic Rush Chairman.

WILDA JANE LOGAN

JAMES O'ROURKE

LYLE CAYCE

A history and political science major from Princeton, Lyle is a member of Phi Alpha Theta History Honor Society, Alpha Chi Scholastic Honor Society, Omicron Delta Kappa Student Leadership Honor Society and Pi Sigma Alpha Political Science Honor Society.

He has served the student body as Resident Advisor for 2 1/2 years, and has served on the Student Development Who's Who Selection, and Resident Advisor Selection Committees. Lyle is a member of the MSU Baptist Student Union and he enjoys participating in Intramural Sports.

As a member of ROTC, Lyle was recipient of a two year scholarship.

Lyle is a member of Tau Kappa Epsilon Social Fraternity and has held the offices of president, secretary, rush director, and pledge trainer. He also served on the Interfraternity Council.

VANESSA KAREN MILLER

Karen, from Henderson, is a member of Alpha Chi Honor Society, Omicron Delta Kappa Student Leadership Society and the National Student Speech and Hearing Association (NSSHA). She participated in the Summer Orientation Program as Freshman Orientation Counselor 1976-77.

Karen has served the student body as an active member of the MSU Student Government Association. She has held the offices of freshman class treasurer, sophomore class treasurer, junior and senior representatives and Student Activities Board secretary.

A Presidential Scholar, Karen was recipient of the Louisville Speech and Hearing Sorority Scholarship in 1977 and the Gulf Oil Scholastic Scholarship for four years.

## ***Lady Racers Net 17-7 Record***

The women's tennis team posted a fine 17-7 won-loss record during the 1977 season. This tally included seven 9-0 shut-outs and five 8-1 victories.

The tournament season showed Murray women finishing second of six teams in the Kentucky Women's Intercollegiate and third of 18 teams at the University of Tennessee-Martin Invitational.

The individual accomplishments for the season included Ann Ress's 21-3 record and Karen Weis's winning of the singles title at the Kentucky Women's Intercollegiate Tournament.

The doubles team of Weis and Sindy Macovick won both the KWIC and the UT-M titles.

## Tennis Team Has Slow Year

The 1977 season was a discouraging one for the Murray State men's tennis team. Coach Bennie Purcell's players never established the team momentum as they compiled an 8-15 record.

Fourth-seeded Tom Lie was the bright spot for Murray finishing 15-8.

Top-seeded Del Purcell found the competition stingy, ending the season 9-14 as did Jeff Leeper and Sam Pruitt.

Roger Westfall, seeded number two for the season, faltered at the start, but surged for an 11-12 mark. Roger Berthiaume completed the season with a 7-13 record.

## *'Breds Capture Second Place in OVC Western Division*

The 1977 season was another excellent one for the Thoroughbreds as they posted a 29 and 15 record. They finished second in the OVC western division.

In the past two decades, the 'Breds have won 9 conference championships

and have not finished below second place in the divisional races. During this span, the Racers' conference record has been an excellent one, winning 170 games while losing only 62.

For the sixth consecutive year the 'Breds made the "Top 25" in national rankings as they were ranked 22nd and 24th on consecutive polls during mid-season.

P. Vincent

Baseball Coach Johnny Reagan goes over strategy as the Breds prepare for action in the field, at bat, on the mound, and on the base paths.

(continued from p. 92)

Four Racers were named to the all-conference team: Robin Courtney at third base, Greg Tooley and John Siemanski as outfielders, and Andy Rice as pitcher.

Hitting was again a strong feature of the 'Breds as they compiled an excellent .292 team batting average, compared to a .246 average for the opposition. Several regulars finished with batting averages above the .300 level. Tooley led with a .356 mark. Close behind was freshman Dan Teel who finished at .347. Al Luigs posted a .333 average while Tom Fehn finished at .324. Bill Wagoner posted a .313 average and Terry Brown completed his final season at .309.

Tooley was the RBI leader with 46, while Brown and senior Don Walker had 33 and 30 respectively. Tooley was also the homerun leader with 11, which ties the single season record.

The pitching corps was led by sophomore Andy Rice who posted a 6 and 1 record and a 1.80 ERA. Sophomore Mark Riggins and freshman Clay Vangilder each posted 4 wins for the season. Mike Grieshaber and Mark Wezet each added 3 wins for the 'Breds. Grieshaber was the ERA team leader with 1.13, while David Bradford and Riggins also posted good marks with a 2.70 and 2.17 respectively.

# Freshmen Spark Racer Track

The 1977 Men's Track season can best be described as one of individual highlights.

Freshman David Warren set an Ohio Valley Conference and Murray State record of 2:10.8 in the 1,000-yard run. But Warren's best memories are from the summer when he returned to England and won the British 800-meter championship. He also ran against seven European teams in the World Student Games and set a record of 1:47.4 in the 800-meters.

Another freshman, Stan Simmons, set a Murray record in the shot put at 52 feet 10 inches. Pat Chimes set an OVC and university record in the 880-yard race with a time of 1:52.2.

The two-mile relay team of Martyn Brewer, Tony Keener, David Warren, and Chimes ranked 12th nationally at the Dogwood Relays in Knoxville, Tennessee. They also qualified for the NCAA Indoor Track meet and finished fifth in that meet to become All-Americans.

Bill Bradford raised the school high jump record to 6 feet 10 inches and Brewer lowered the mile record to 4:09.1 at the Mason-Dixon games.

Murray State ended the OVC Indoor season with a fourth place finish and the Outdoor season took its toll with the Racers placing seventh in the conference.

## Women's Track Team Impresses Opponents

The Murray State Track Team, coached by Margaret Simmons, gave its stiff competition a run for the money during the 1977 campaign.

The young Racer women's squad made its debut meet a respectable one at the Memphis State Invitational, finishing 11th out of 20 teams with a total of 12 points.

At Carbondale, Ill. the following week, Simmons stressed "a bit of disappointment" in the Southern Illinois Invitational. Capturing third place in the five-team competition, the Murray women saw winning performances by Karen Wilson in the 100-meter hurdles as well as by Kathy Schafer, Carol Schafer, Ivy Christie, and Pattie Bittel in the two-mile relay.

Described as the best performance of the season by Simmons, the Racers conquered fourth place in the 11-squad Murray State Invitational Tournament.

## Women's Track

(continued from p. 103)

Sprinter Wilson set a new meet record for the 100-meter hurdles with a time of 14.3 seconds which qualified her for the Association of Intercollegiate Athletics for Women (A.I.A.W.) Nationals in Los Angeles.

The Lady Topper Invitational at Bowling Green saw Murray State settle for the fifth position in the 10-team event. At the Becky Boone relays in Richmond, the Racer women's team again finished in the top half of the meet, claiming 15th of 30 teams.

The team ended the season with a

strong performance in bowing to Western Kentucky, 77-69. Simmons admitted after the close defeat, "We should have never come close."

Elected as "Female Athlete of the Year" for 1977 at Murray State, Wilson represented the Racers in the A.I.A.W. Nationals. Her efforts took her to the semi-finals of the 100-meter hurdles, losing her last race by two-tenths of a second.

Camille Baker participated in the Boston Marathon on April 18. She placed 82nd of 126-140 women and 268 of over 3300 official starters in the race.

## Golfers Vie in Fall Tourneys

In the 1977 fall golf season opener, Middle Tennessee State University captured the rain-shortened Murray State University Intercollegiate Golf Tournament with a 581 mark. Eastern Kentucky edged Murray 588 to 589 for second place in the nine-team event.

Mike Kirby tied for fourth place in individual play with a score of 145. Counted on the Racers' team score were

Brian McDonald and Larry Patton, 146, Mark Ryan, 148, Jerry Stone, 149, and Tom Fischer, 151.

With a 942 stroke total, the Murray State team placed 23rd of 24 teams at the River City Intercollegiate Tournament at Memphis, Tenn.

Fischer paced the Racer linksmen with a 234 total. Patton and McDonald each carded 235, Stone, 238, and Ryan,

250.

In the last tournament in the fall campaign, the team finished 12th of 14 teams at the Jim Corbett Classic at Baton Rouge, La.

Fischer and McDonald paced the Racers with 230 totals. Peter Norton and Patton each finished with 234. Tim Jackson and Kirby carded 238 and 242, respectively.

# Racer Football 1977

# Football

The 1977 season marked the end of an era for Murray State football. Bill Furgerson, head football coach for the last eleven years, announced his resignation, Nov. 21.

Furgerson's overall football record at Murray State is 60-49-4. Before becoming head football coach, he was head track and cross country coach for nine years. He won six track and two cross country Ohio Valley Conference championships. He was also selected as conference coach of the year in three sports.

According to Furgerson, President Constantine W. Curris and Dr. Marshall Gordon, vice-president for University Services, spoke with him a week before the final game of the season to express their feelings and those of the Board of Regents, stating dissatisfaction that Murray State had not won an OVC championship during his tenure as head football coach.

The Racer football squad compiled a 6-5 mark for the 1977 season. In the OVC they had a 4-3 slate to tie for third place. Safety Eddie McFarland, center Jim Jez, and offensive guard Dan Hutchinson were named to the All-OVC team.

The season started on a bright note, with the Racers topping Southeast Missouri State University in a road game, 13-6. The Murray team made 14 first downs, gained over 200 yards, and held SEMO to under 200 yards gained and no touchdowns.

The first score of the season came in the second quarter of play. Freshman tailback Danny Lee Johnson made a dazzling 47-yard run to paydirt on the second carry of his college career.

On Sept. 10 the Racers lost to Delta State University, 38-0.

The "mentally unprepared" Murray squad trailed 28-0 at half-time. "Our biggest concern was to get our heads right," Furgerson said. "We did play some better in the second half." The Racers completed 15 of 22 passes for 108 yards in the final half. "The point was to win, not make the game respectable. Our goal is to win every game," Furgerson added.

JGP

Two weeks later, the Racers fell to Division II 10th ranked Tennessee Tech, 21-19. The contest was the OVC season opener for the Racers.

Quarterback Mike Dickens was at the helm for the Racers, completing 14 of 28 passes for 178 yards and three touchdowns.

Tight end Kris Robbins grabbed a 28-yard Dickens' aerial to launch the Racer scoring barrage. Flanker Garry Brumm raced a 24-yard pass to paydirt for the second Racer score. Tight end David Thomas capped the day's scoring for the Racers as he received a 9-yard toss with six seconds left on the clock and wrapped up an 84-yard, 14-play drive.

Defensively, linebacker Bobby Craig and defensive back Bud Foster picked off Tech passes, the first two interceptions of the season for Tech. The Golden Eagles, averaging 38.5 points per game were held to 21 points and were shut out in the second half.

The next week, the Racers again out-passed and outrushed their opponents, but ended up on the short side of 17-3 score against Morehead State University. In the final ten minutes of play, Hank LaGorce's field goal broke a scoreless deadlock. The Eagles retaliated with a field goal to tie the score and added two touchdown sprints.

Murray once again tried for a come-from-behind win, but failed to turn the tide against University of Tennessee at Martin and lost, 31-22. The Racers trailed 20-0 at intermission before their second half rally. Three first-year men, junior college transfer tailback Austin Perine, freshman tailback Danny Lee Johnson, and freshman wide receiver Kris Robbins accounted for the Racers' scores.

Safety Eddie McFarland led the defense with 13 tackles and four assists. Tackle Bruce Martin contributed nine tackles and two assists. Teammate Steve Maxwell added nine tackles and one assist.

Murray upset the Middle Tennessee State University homecoming a week later, 13-9. On the first play of the game, Racer defensive end Sam Franklin dropped the Raider quarterback in the end zone for a safety. Later in the quarter, Dickens

scampered for the only MSU touchdown, but was injured as he was tackled and didn't return to the game. Backup quarterback David Ruzich sailed an aerial to tailback Tony Franklin for a two-point conversion.

Danny Lee Johnson was the leading ground gainer for the Racers with 70 yards in 17 attempts. McFarland had 10 tackles for the game, cornerback Roy Hackley picked off an enemy pass and Chuck Marquess recovered a fumble.

The Racers spoiled homecoming again as they defeated OVC rival East Tennessee State University, 13-10. LaGorce booted a field goal in the second quarter to give the Racers the edge at intermission. The Buccaneers came back in the second half with a field goal and a TD to take the lead.

The Racers mounted a nine-play, 74-yard drive to even the score. Johnson carried for the final 10 yards of the drive. The tough MSU defense forced ETSU to punt after three plays on their next possession. The Racers paced the distance to the 9-yard line and LaGorce split the uprights for the winning margin.

Ruzich completed 15 of 26 passes for 171 yards in the contest.

For the 7th consecutive year, Murray State triumphed at Homecoming. This year they edged Eastern Kentucky University, 24-20. The game started with 14 quick points for the Racers. They took a 17-14 lead until the final quarter, but two field goals for the Colonels gave Eastern a 20-17 advantage with 6:16 left.

Then Ruzich hit wide receiver Jeff Braaten with a 13-yard pass from the 20. Tight end David Thomas brought down the next pass, broke two tackles, and ran down the sideline to Eastern's 10. Ruzich found Robbins on the end of an 8-yard throw. For the final play of the drive, tailback Perine packed the leather for the two yards to paydirt and the Murray State victory.

The Racers ended their three-game winning streak at the hands of Austin Peay State University, as they were shut out, 13-0.

They regained momentum the following week and downed Eastern Illinois University, 35-7. Linebacker Willie Wilson blocked an Eastern punt and Sam Franklin recovered the ball on the one-yard line. Dickens took the first down snap and plunged for the score.

Tony Franklin ran 23 yards for the last leg of a second scoring effort. In the second half, Racer scores came on runs by Perine and Keith Swearingner and a seven-yard Dickens pass to tight end Thomas. Bobby Craig led the defensive with eight tackles and one assist and deflected a Panther field-goal attempt.

For the first time since 1955, the Racers defeated Western Kentucky University on enemy territory. The Murray gridders finished their season with a 21-13 triumph. All of the MSU scores came in the first half.

Punter Wes Furgerson was graded the offensive hero of the game. He kicked the pigskin eight times for an average of 46.6 yards. Defense proved to be the key to the Racer offense attack. Cornerback Hackley returned a WKU punt 32 yards to the Hilltopper 13 to set the stage for one score. Linebacker Willie Wilson intercepted a pass with a 31-yard return for another score. End Bill Shannon recovered a fumble on the Hilltopper 21 yard line.

Sam Franklin had six tackles and one assist. The victory for the Racers was the third in four years over the Hilltoppers.

In Dec. 1977, a former star quarterback at OVC rival Morehead State University in 1965, was named as the 10th head football coach at Murray State. Mike Gottfried came to the Murray post from the University of Arizona where he was the offensive coordinator.

## Soccer

"We started the season shooting for a 6-4 record. But our main goal was to have fun and form the club into a cohesive, workable team," Bill Crittenden, soccer club coach, said.

The Murray State team tallied a 2-3-1 season, but was plagued by bad weather, forfeits, and cancellations. "We really didn't get to play a complete season," Crittenden added.

Kent Kamphaus, fullback, showed outstanding leadership for the team, Crittenden said. Steve Willis, halfback, was valuable for both offense and defense, and was high for the team in assists.

Ed Edemeka and Trevor Athill, forwards, formed the main team offensive unit. Emmanuel Dokubo, halfback, was captain of the squad.

Barry Bryant, Crittenden said, was put in as goalie half-way through the season and has great potential for the future.

"The primary disappointment of the season was not being able to blend our offensive talent. The defensive line was as good as anyone else's that we played," he said.

# Volleyball

The women's volleyball team tallied a 13-8 record for the 1977 fall season.

They competed against such teams as Northern Kentucky, Eastern Kentucky, University of Tennessee-Martin, Kentucky Wesleyan, Austin Peay, Southeast Missouri, Lambuth, University of Evansville and Florrisant Valley.

The team was coached by Judy Lennon. Sandy Schuster, Anna, Ill., was the only senior on the squad. Juniors were Diane York and Pam Knaver, both of Lincoln, Ill., and Gaye Estes, Dale, Ind. Sophomore team members were Kelly Snow, Fortville, Ind., and Fonda Walker, Mansfield, Ohio. Cindy Farland, Newburgh, Ind., and Diana Johnson, Lincoln, Ill., rounded out the team roster.

## Racers Run 14th at NCAA

Murray State University's men's cross country team climaxed the fall 1977 season with a 14th place finish at the 39th annual NCAA men's cross country championships at Spokane, Wash., Nov. 21.

Martyn Brewer paced the Racer harriers by finishing 40th in a field of 300 runners with a time of 30:18.1. Jerry Odlin finished 41st and Brian Rutter took 72nd place. Richard Charleston and David Rafferty placed 109th and 113th respectively. Pat Chimes completed the course in 136th place and David Warren took 152nd place.

The team qualified for the NCAA Championships by capturing fourth place in the NCAA Division III Regional Championships at Greenville, S.C.

Placing second at the OVC Championships at Bowling Green, Ky., the Racer harriers were only topped by East Tennessee. Brewer paced the Racers with a second-place finish followed by Odlin in fifth. Rutter claimed ninth place and Charleston 12th.

The Racers opened their season at the Binks Memorial cross country run in Louisville placing fourth. Odlin placed sixth in the men's 10,000 meter race. He was followed by Brewer in eighth place and Charleston in the twelfth spot.

On Sept. 16 the men toppled Arkansas State University, 16-45, in Jonesboro, Ark. Murray State's top four runners, Odlin, Brewer, Rutter and Charleston crossed the line together with a time of 25:56 to take first place.

At the 12-team Bison Invitational at Harding College in Searcy, Ark., the Racer harriers swept first place honors. Brewer and Odlin shared first place with a time of 23:42, followed by Rutter in third place and Charleston in fifth.

The Racers placed second in the 23-team Indiana Invitational in Bloomington, topped only by OVC rival East Tennessee. Odlin took fourth place in the event, followed by Brewer in fifth place.

At the Kentucky Intercollegiate Championships in Bowling Green, Ky., the Racers took first place honors. Rutter and Odlin paced the Racers in first place with a time of 32:33. Charleston placed sixth and Rafferty ninth.

At home on Oct. 14, the Racer men beat Southern Illinois University and

Tennessee Tech in a triangular meet. The Racers tallied 18 points to SIU's 42 and Tech's 85 points.

Seven of the Murray State runners finished in the top 10. Brewer and Odlin captured first place as they crossed the line together with a time of 24:25. Charleston finished fourth in 24:55. Rutter placed fifth and Warren sixth. Rafferty was eighth for the team followed by Chimes in 10th place.

At the nine-team Western Kentucky Invitational, Murray State captured first place. Brewer paced the MSU harriers with a second place finish and a time of 25:11. Odlin placed fourth in the event followed by Charleston in fifth place.

Warren and Rutter placed ninth and 10th respectively.

MLB

The Racers ended the season by defeating Southern Illinois University-Edwardsville and Southeast Missouri at the Murray Country Club.

Murray State harriers scored 18 points in the contest, SIU scored 55 and SEMO, 60.

Brewer and Odlin led the team as they tied for first, clocking 24:42. Charleston followed in third place.

Rutter and Chimes finished the contest in fifth and seventh places respectively. Mitch Johnston and Mike Vowell completed the course in eighth and 13th positions respectively.

## *Harriers Eighth in Regionals*

Murray State's women's cross country team placed eighth in the 12-team regional championships at Raleigh, N.C., to end the 1977 season.

They started the season two months before against Southern Illinois University. MSU lost, 20-35. Glenda Calabro led the Lady harriers with a time of 21:23 and a fourth place finish. Freshman Becky Beckman placed fifth and Lisa Baker placed seventh.

At the six-team Illinois State Invitational, Murray women placed fifth. Calabro again paced the Racers by finishing 10th, followed by Sharon Macy who placed 20th.

The Lady Harriers captured third place in the five-team Kentucky Intercollegiate Championships at Bowling Green. Calabro crossed the line in ninth place. Macy and Beckman placed 17th and 18th respectively.

Murray State upset Memphis State University, 22-36, at Memphis. Calabro placed second with a time of 19:43, Beckman placed third and Macy, fourth.

Competing in the Western Kentucky Invitational, MSU placed second of four teams.

**Back row (l. to r.) —** Glenda Calabro, Ruth Coke, Lisa Baker, Pat Taylor, Debbie Bittel, Patty Bittel, Karen Harding, Cathy Campobello. **Front row —** Ivy Chreste, Becky Beckman, Mary Ann McConnell, Lyn Barber, Sharon Macy, Margaret Kopatz.

1977-78 rifle team: Front row (l. to r.) — Jay Sullivan, Mike Gross, Shelley Soncrant. Second row — Roger Withrow, Bill Patzke, Hugo Adelson, and Coach Sgt. Howard Willson.

## ***Marksmen Rank in Top Ten***

The Murray State rifle team received a ranking in the top ten nationally for the 1976-77 season.

At the National Rifle Association sponsored sectionals which determine national ranking, the Racer squad entered both the NRA-3 division and the international division. In the NRA-3 division, the team of Gary Kramp, Bill Patzke, Mary Sand, and Mike Gross placed sixth in open competition and first in the ROTC category. In the international division, the team of Kramp, Sand and Patzke placed first in the ROTC competition, and Gross, John Kubichek and Jack Rowe placed second in that category.

Following the national ranking, team members were invited to participate in the Champion of Champions match at Ft. Benning, Ga., where they competed against the Army's best .22-caliber shooters.

At Kemper Military Academy later in the season, the MSU team took second place. The rifle squad traveled to Camp Perry, Ohio, for national matches and Hugo Adelson placed second in the collegiate high-power division.

In the Second ROTC Region Marksmanship Championship, MSU competed against teams from eight states and placed first.

The 1977-78 season opened with a 2,232-2,211 loss to Western Kentucky. Gross scored high for Murray with 563 of a possible 600 points. Shelley Soncrant placed second with 562 points and Bill Patzke third with 561.

In its first tournament of the season, the MSU team placed fourth of nine teams at Tennessee Tech. As a team they shot the highest score of the past couple of years, according to coach Sgt. Howard Willson. Overall the team accumulated 2,257 points for the event.

Patzke was the leading scorer for the team followed by Soncrant, Gross, and Adelson.

The team grabbed fifth place at East Tennessee State University against 15 to 20 competitors, including the nation's top five teams. Patzke was top man, Soncrant placed second, Adelson third, and Jim Murray was fourth.

Firing its highest scoring match of the season, at Eastern Kentucky University, the squad tallied 2,263 points and took first place honors. Adelson led the scoring, followed by Gross, Patzke, Murray, Soncrant, Jay Sullivan, and Roger Withrow.

At Xavier University, MSU claimed second place in the 15-team contest with a total of 2,239.

Murray State climaxed its fall season by winning three of four categories in the 19th Annual Turkey Shoot at Kansas State University.

# Lady Racers

## Tally 10-19

The Murray State Lady Racers, under the direction of new head coach Jean Smith, failed to gain a winning margin with their 10 wins and 19 losses season record for 1977-78.

In Ohio Valley Conference play they tallied five wins and eight losses. In Kentucky Women's Intercollegiate competition they had a 2-9 slate.

Junior Jackie Mounts was the Lady Racer's leading scorer, averaging 16.7 points in her 27 games. She also led in rebounds, average 12.4 per game.

Freshman Laura Lynn furnished an average of 15.5 points per game and shot 73.9 percent from the line.

Mary Jane Gates was third in scoring with a 9.0 per game average and second in rebounds with 6.3.

Cindy Barrix and Bev Parrish averaged 7.4 and 6.2 points per game respectively. Barbara Herndon averaged 5.7 points and Laura Petrie 4.4 per game.

The Lady Racers were outscored by their opponents 74.6 to 70.9

They average 59.8 percent from the free throw line and 42.4 percent from the field.

# Racer Squad Edged in '78

Small margin losses for the Racer basketball squad added up to a 8-17 season in 1977-78.

In Ohio Valley Conference play, with the exception of only two games, the Racers never lost a game by more than three points. Nevertheless, their OVC season record was 4-10.

In late January, head coach Fred Overton announced his resignation effective June 30. Overton said he was resigning because he had been unable to achieve the "winning success" he had hoped for after four years as Murray's

head coach.

Overton was the OVC's Coach of the Year last season. His record at Murray stands at 44-59. Before being named head coach in 1974, he served four seasons as an assistant.

The 1977-78 team averaged 72.7 points to their opponents' 75.8.

Mike Muff, senior, was the leading scorer for the team with an average of 23.6 points per game. He also led in rebounds with a 9.4 per game average and shot 81.2 percent from the line for the season. He was named to the 10-

player All-Conference team and was runner-up for the OVC in scoring.

He finished with 1,094 career points, the 11th highest in Murray State history.

Senior Jimmy Warren was second in scoring with 14.6 points per game. Donell Wilson and Danny Jarrett, both seniors, averaged 7.2 and 6.8 points respectively.

Johnny Thirdkill averaged 9.2 points per game. John Randall averaged 6.8 rebounds and 8.0 points per contest.

The Racers opened season play with three wins and five losses in non-conference games before Christmas.

Dec. 29-30 they participated in the Evansville Memorial Holiday Tournament. In first round action MSU defeated Mercer, 85-83. The following day they lost to New Orleans, 59-52.

A week later the Racers lost to East Tennessee, 75-72, and Tennessee Tech, 68-67, in on-the-road games.

On Jan. 14, the team had its first OVC victory when it outscored Morehead, 69-60. Herbie Stamper, the leading scorer in the OVC, gained 22 points against the Racer's man-to-man defense in the first half. After trailing 34-26 at intermission, Murray gained momentum in the second half and switched to a zone defense. With 15:04 remaining in the game they gained the lead and never lost it again in the contest.

According to Overton, poor shooting and costly turnovers were key factors in the 63-60 loss against Eastern Kentucky.

Jimmy Warren tallied a career high of 29 points against the Western Kentucky Hilltoppers on the road, but the Racers lost the contest, 91-75.

Another come-from-behind attempt failed this time against Austin Peay, and the Racers were edged, 83-81. Murray trailed 78-68 with 2:30 left in the game. They trimmed the margin to two at 81-79 with 24 seconds remaining. APSU took over and used two free throws to cinch the win.

With a furious fast break attack, the East Tennessee Buccaneers handed the Racers their second loss in as many encounters with a score of 84-69. Tennessee Tech came from behind two days later to edge the Racers, 63-60.

The Racers broke their losing streak in an away game with Morehead. Jarrett and Randall sparked the team to victory with 19 and 18 points respectively.

Murray made it two in a row when they downed Eastern Kentucky two days later on the road. They rallied from a 13 point deficit with 7:30 showing in the game and topped the Colonels, 80-76.

Muff was the leading Racer scorer with 28 points for the contest, 18 coming in the second half. Warren tallied 19 for the game.

On the road again, the Racers lost to Middle Tennessee by a mere one point, 57-56. The Blue Raiders trailed 39-27 with 14:57 remaining in the game, but in a 16-2 spurt they overtook the Racers 43-41 with nine minutes left. The lead was exchanged three more times before the Raiders kept it at the final buzzer.

Murray State fell to OVC champions Western Kentucky, 100-98 in over-time play. After trailing by as many as 12 points several times in the second half, Western still trailed 86-77 with 3:59 left in regulation play. Turnovers doomed the Racers in the closing minutes of the contest.

With a dazzling 85-84 win over Austin Peay the Racers ended their season. Muff led the scoring with 33 points, followed by Warren with 18. Although Jarrett sat out much of the game with foul trouble, he sank all six of his floor attempts for 12 points and added two blocked shots.

In March, Ron Greene, a 1962 Murray State graduate, was named as the next head basketball coach. He was head coach at Mississippi State University and was named SEC coach of the year for the 1977-78 season.

## ***Athletic Director Luther Resigns***

Cal Luther, Murray State University athletic director for the past 11 years, submitted his resignation Nov. 28.

Luther said he met with President Constantine W. Curris and Marshall Gordon, vice president for University services, Nov. 23 to discuss the athletic program and was indicated that a change in the athletic directorship was desired.

Luther came to Murray State as head basketball coach from DePauw University in 1958. He held that job until the end of the 1973-74 season. His coaching record at Murray stands at 243-152 and he had 14 winning seasons. He won three regular season OVC titles and one post-season conference championship during his reign as head coach.

"Alpha Gamma Delta — Never So Great!" The Gamma Xi chapter of Alpha Gam was established on the Murray State campus on April 28, 1966. The sorority states as the object of its establishment to perpetuate among a group of college women a spirit of mutual assistance and understanding, to maintain high standards of scholarship, to develop womanhood, to strive for the attainment of high ideals in college, community and personal life, and to train for leadership and a sense of responsibility for the welfare of others.

In the community, Alpha Gams are actively involved with their philanthropic project, the handicapped. On campus, the sisters display leadership and involvement in the intramural sports program. One sister was on the Homecoming court. Another is a cheerleader. Still two other sisters are fraternity sweethearts. Many are active as little sisters to fraternities.

The big event of the Alpha Gams' year is the Snowball formal in January. Here the Man of the Year award is presented by the sisters.

The brothers of Alpha Gamma Rho believe their fraternity ideals are embodied in one word, "Fraternalism." The members are dedicated individuals who work together in the ties of enduring brotherhood.

Alpha Gamma Rho was activated on the Murray State campus on November 25, 1958 as a social-professional fraternity, centering its main interests around the field of agriculture.

The brothers sponsor the fraternity and sorority events of Paul Bunyan Day, held spring semester. The highlight of the year is the AGR Tractor Pull, in which participants come in from around the state and surrounding areas.

The members are also very proud of their large house, which is home to all of the brothers of Alpha Gamma Rho.

Since Alpha Delta Pi was founded at Murray State, the Epsilon Omicron chapter has grown in both numbers and spirit. Each sister is an individual, with her own special talents and abilities to contribute. ADPi is the total of all these separate gifts.

By giving of herself, each ADPi is actively involved in national and local activities. Their philanthropic project, speech and hearing, keeps the sisters aware and helping others.

Alpha Delta Pi is the sponsor of the "ADPi 500," a fraternity competition fall semester. The sisters also enjoy their annual Black Diamond formal, pledge presentation, Founder's Day, and Senior Send-off.

Alpha Delta Pi has grown since its founding at MSU on February 10, 1968. As each sister matures as an individual, she strengthens the true bond that forms ADPi's sisterhood.

"Laughing, singing, doing whatever we enjoy when we are together . . ."

Together, AOPi girls live, learn and love in the warmth of sisterhood.

Since its establishment at Murray State February 18, 1961, Delta Omega chapter of Alpha Omicron Pi has sought to show its friendship and ideals both on campus and in the community. The sisters support their philanthropic project, the National Arthritis Foundation, through roadblocks and donations. Thanksgiving and Christmas baskets are presented to needy families in the community.

AOPi is also involved in university activities. There are sisters in "Who's Who," Student Government, honor societies, intramural sports programs, and active in fraternity little sister organizations.

At the highlight of the year, Red Rose Ball, the sisters join in a widening circle of friendship, remembering that "We're here to care; we've got so much love to share."

"You be you; I'll be me."

The sisters of Alpha Sigma Alpha seek friendship, love, and the strong sisterhood which gives meaning to one's college days. The members of the Beta Nu chapter have established a sisterhood that contributes to the development of each of its members in the physical, intellectual, spiritual and social aspects of life.

"To serve, not to be served" is a principle of ASA. The chapter aids by donating to research for the mentally retarded, its philanthropy.

On the Murray State campus, sisters are involved in intramural sports, honor societies and campus organizations. Some are fraternity little sisters. One sister was honored on the Homecoming Queen court.

Each girl is an individual, but she shares her hopes, dreams, and talents with her sisters. By sharing, a bond is formed of eternal friendship and sisterly love.

"To bind men together in a brotherhood based upon eternal and immutable principles with a bond as strong as right itself and as lasting as humanity . . ." These words were written by one of the Founders of the Alpha Tau Omega fraternity almost one hundred years ago. Yet, to the brothers of ATO, they are just as important today.

The members of the Zeta Lambda chapter are concerned with brotherhood. To many, it is just a simple word, but to the brothers of ATO, it encompasses their ideals and hopes of fraternity life. It means the rubbing together of shoulders, learning to live with individuals of different backgrounds, accepting as well as being accepted. Brotherhood means belonging and understanding others, a home away from home with people who care.

Since its establishment at Murray State on May 9, 1959 the brothers of ATO have excelled both on campus and nationally. The brothers won the 1976-77 Greek All Sports Trophy. The chapter itself was honored with the national Chapter Efficiency Award in both 1974 and 1975.

The brotherhood of Kappa Alpha Order has spread to over 90 chapters across the nation. The character of their spiritual founder, Robert E. Lee, and the example set by the Knights of Old project a model of chivalry and brotherhood shared by the brothers of Kappa Alpha.

Aspiring to the high ideals of women, fidelity to God, and the promotion of a noble Order, the KA's attempt to bring back the good memories of Dixie. Each spring, the brothers share their celebration of "Old South" with the entire campus.

The KA's are always a threat to the competition in the Greek Intramural program. The brothers are also active in the community, helping with the Santa Claus booth during Christmas.

Since their founding at Murray State University on November 18, 1967, many young collegiates have pledged Kappa Delta, "for the time of your life!"

Nationally, Kappa Delta is one of the largest and most involved sororities. Here at MSU, the KD Ladies live up to this reputation with many concerned and active sisters. There are KDs on the Student Government Association and Student Activities Board. One sister is chairperson of the Miss MSU Pageant, and another is editor of the SHIELD. There are many KDs who are active in fraternities' little sister organizations.

The Delta Iota chapter of Kappa Delta has long been active in helping with their philanthropy, Crippled Children's Hospital/Orthopody.

Lambda Chi Alpha was founded at Boston University in 1909. Since that time, the fraternity has grown with more than 179 chapters across the nation, including the Murray State Eta Zeta chapter, founded on May 18, 1968.

In 1969, the brothers purchased the Carman Motel at 1505 West Main and converted it into a fraternity house, which now provides living accommodations for many of the brothers.

Lambda Chi grew rapidly at Murray State. On August 13, 1974 the Eta Zeta chapter was presented with the Grand High Alpha Award, the highest award that can be given to a Subordinate Zeta by the General Fraternity. The brothers take great pride in this honor because it was less than 10 years after the conception of the new fraternity.

The goal of Lambda Chi Alpha is to instill in the undergraduate the ideals of a well-rounded character that will guide him throughout life. Lambda Chi Alpha provides to the college man a high standard of intellectual, moral and social development among its members. It is a fundamental of the fraternity that no finer means is offered for the achievement of these aims than the brotherly association of men with similar tastes and inclinations.

Epsilon Lambda chapter of Pi Kappa Alpha was the pioneer of social fraternities on the Murray State campus. On May 18, 1958, the chapter was begun, thus being the first social fraternity on any state college campus in Kentucky. Since then, the "Pikes" have grown in size and status at Murray, as well as nationally.

The brothers are actively involved in campus activities. Various positions on Student Government are presently held by Pikes. There are brothers who played on the Racer football team. The fraternity has always had fine teams participating in the intramural sports league. Epsilon Lambda was the recipient of the Dean William G. Nash Scholarship Plaque for many years.

The smokers each semester, Homecoming Dance, annual Dream Girl Ball, and the popular Wednesday night parties are the highlights of every year in Pi Kappa Alpha.

"... in short, to be a man in the best sense of the word, and thus fulfill the highest ideals for which Pi Kappa Alpha must ever stand."

"Sweet violets . . ." Donned in royal purple and white, the members of Sigma Sigma Sigma exemplify that "sisterhood is beautiful." Belonging to Tri-Sigma, the sisters learn that true meaning of loving, giving, and sharing, forming the bonds of a sisterhood that adds so much happiness to college years.

The Alpha Chi chapter works to serve children, especially through the Robbie Page Memorial Fund, its philanthropic project.

Tri-Sigma members aim to contribute to college activities. Sisters are active in Student Government, honor and professional organizations, and intramural sports. One sister is on the staff of the newspaper; another works on the yearbook. Fraternities have honored many members as little sisters.

"No girl is an island, and no girl stands alone." Through Sigma Sigma Sigma, each member shares and lives with others who care.

Sigma Pi Fraternity was founded at Vincennes University, Vincennes, Indiana on February 26, 1897. The brothers of Sigma Pi are proud that theirs is the oldest fraternity established west of the Ohio River. Today, Sigma Pi has more than 125 chartered chapters and alumni clubs and is still on the move.

Although Sigma Pi is one of the smallest fraternities on campus, the brothers believe theirs is one of the closest woven and united organizations. Brothers are urged to improve their actions and ideals every day, thus as the fraternity grows in respect and recognition, each brother grows and matures as an individual.

To a member of Sigma Phi Epsilon, life's greatest reward is his brotherhood. Brotherhood is their very existence. The men of Kentucky Epsilon uphold the Sigma Phi Epsilon tradition of brotherhood by love and strive to strengthen this sacred friendship.

Since its founding at Murray State in 1969, the Sig Eps have extended their brotherhood to many young college men. Through pledgship, the belief in brotherhood is reflected in their "Education for Brotherhood." The men of Kentucky Epsilon work to spread the peace through brotherhood, the principle upon which the fraternity is based.

"Some tell you what they have, we tell you what we are: Sigma Phi Epsilon — The Growing Brotherhood."

"What did the old grey owl say?"

The Sigma Chi fraternity was founded by seven young men on the campus of Miami University in Oxford, Ohio in 1855. Since that time, Sigma Chi has grown in both membership and prestige, ranking now as one of the nation's top fraternities.

The fraternity established the Epsilon Tau chapter at Murray State University in April 1959. The organization was founded on the basis of friendship, justice and learning. Sigma Chi strives to serve as an inspiration for all college men to better their own lives, as well as those of the brothers.

The brothers have gained popularity on campus as sponsors of the sorority-oriented Derby Day. This year, Derby Day was changed to the spring semester instead of being held in the fall.

The Sigma Chi ball teams have always provided stiff competition for other Greeks in the intramural sports program.

Sigma Chi's were honored this year as recipients of the Homecoming float award, along with Alpha Omicron Pi sorority. An added distinction was the selection of the fraternity sweetheart, Lynn Hewitt, as the 1977 Homecoming Queen.

"TEKE is unique." To be a brother of Tau Kappa Epsilon offers a unique opportunity of membership in the world's largest social fraternity.

The Zeta Chi chapter was founded at Murray State in 1959 and since has grown in membership and brotherhood. Brotherhood to a TEKE is dedication, participation, enjoyment, service, and sharing. Brotherhood is not easily attained; it must be cherished and respected.

The TEKES have members from many different states. Some of the brothers represent the University on the cross country team. The TEKES also compete in the intramural sports program.

"... The essential elements of true brotherhood are love, charity, and esteem..." brothers who live as individuals, yet work as a team.

Alpha Phi colony is a newcomer on the Murray State campus. Founded as a national sorority in 1872, MSU's colony is the first in the state of Kentucky.

Following a very successful rush, Alpha Phi installed over 50 new pledges. Dressed in jerseys of silver and bourdeux, the pledges of Alpha Phi joined in the established Greek life of the university.

Alpha Phi supports its philanthropic organization, Cardiac Aid with many drives, including a lollipop sale Valentine's Day.

Many of the members of Alpha Phi are involved in university activities. Two sisters are on the NEWS staff. Another is a cheerleader. The president of Alpha Phi is the reigning Miss MSU.

"I have a sister who laughs when I'm happy,

I have a sister who cries when I'm blue.

I know that she'll be there whenever I need her,

I know that our friendship is true."

## Greek Life

Greek life is like a puzzle, comprised of many pieces. One of the main pieces is a friendship, present and lasting. Other pieces of this puzzle are scholarship, leadership, spiritual and moral life, service to others, social and cultural aspects of life, and service to the chapters.

Greek life can help you to learn to live with others and share the experience of growing. Going Greek can teach you the value of involvement and service to others.

Greek life is a puzzle, made up of friends, common bonds, shared interests and talents, and memories that add so much to college life.

# BOARD OF REGENTS

The Board of Regents consists of eight members appointed by the Governor, one faculty member, and the President of the Student Government Association. The chairman of the Board is elected annually.

The Board, which meets quarterly, is the University governing body. Any legal decisions concerning Murray State University, on a long term basis, are made by the Board of Regents.

This year the members of the Board were primarily concerned with campus construction and renovations.
